

Preparation for Oral Presentations

- Oral presentations will be projected using a projector.
- Language of the oral presentations: English (except Session II. TDK)
- Accepted file formats: Microsoft PowerPoint files (.ppt, .pptx, .pps, .ppsx).
- Please use standard fonts such as Times New Roman, Arial, Calibri, or Verdana. The use of special fonts may cause compatibility issues with the computers available in the presentation rooms.
- Please inform us during registration if your presentation contains videos or other animations so that we can test them in advance.
- If your presentation includes links to files stored in the cloud, please ensure that access to those files is available.
- The presentation should preferably use a 16:9 landscape format.

Submission of Presentation Materials

- Presentations must be submitted on a USB flash drive in the presentation room no later than the break immediately preceding the start of the relevant session.
- Presenters must be present in the presentation room at least 10 minutes before the session begins to verify that their presentation is ready for projection.
- The use of personal laptops is not permitted.

Presentation Equipment

- Presenters may control and advance their presentations themselves using a keyboard, mouse, or remote control.

Allocated Presentation Time

- The duration of each presentation is specified in the detailed program at met2026.hu
- Session chairs will be responsible for ensuring strict adherence to the schedule and preventing delays, thereby avoiding disruptions to movement between parallel sessions.
